About Pedestrian Group

Pedestrian Group is one of Australia's most recognised youth media businesses, with a portfolio spanning PEDESTRIAN.TV, Pedestrian Jobs, Openair Cinemas and Pedestrian Studio. Since its launch in 2005, PEDESTRIAN.TV has become a defining voice in Australian youth culture, delivering content across web, social, video, newsletters and experiential channels to a highly engaged Gen Z and Millennial audience.

Pedestrian Group reaches more than 9.4 million people monthly across its owned, social and distributed platforms, including approximately 1.0 million monthly readers, 75 million minutes of video content watched, and strong followings across Instagram, TikTok, Facebook, YouTube, LinkedIn and newsletters.

Pedestrian Group generates revenue across display advertising, native content, production, video, programmatic, BVOD, affiliate and jobs-related activity.

Strategic rationale

The acquisition of Pedestrian Group further strengthens Vinyl Media's position as one of Australia's leading culture, entertainment and youth media networks, expanding its audience reach, branded content capability, social-first production expertise and commercial offering to advertisers seeking access to younger Australian audiences.

The Transaction rebalances Vinyl Media's existing portfolio by adding a wholly owned IP and highly recognised original youth culture brand, further deepening Vinyl Group's reach across Gen Z and Millennial audiences. It also creates opportunities to scale native content, social video, branded storytelling, events, newsletters, jobs and other digital media products across the broader group, while reducing the portfolio's reliance on licensed brands.

On an Ipsos iris de-duplicated audience basis, the Transaction is expected to increase Vinyl Media's combined online audience reach from approximately 51% of Australians online to approximately 53%.¹ This further strengthens Vinyl's relevance to advertisers and audience scale across youth, entertainment, culture and lifestyle, while adding one of Australia's most recognised Gen Z and Millennial media brands to the portfolio.

The acquisition further positions Vinyl Group as the local partner of choice for international and sub-scale cultural assets, providing a scaled platform for owned and licensed IP to be integrated, commercialised and grown across a broader media network.

Vinyl Group has an executive leadership team in place to integrate and grow a diversified portfolio of owned and licensed IP, with capability across editorial, commercial partnerships, production, technology, audience development and operations.

Commentary

Vinyl Group CEO Josh Simons said: "Pedestrian Group is one of Australia's most recognisable youth media brands, with a distinctive voice, loyal audience and strong reputation in culture and entertainment. The addition of Pedestrian's brand further rebalances Vinyl's portfolio of cultural assets through a mix of licensed and wholly owned, original IP.

"The transaction also reflects the strength of Vinyl Group's acquisition strategy. We are continuing to secure high-quality cultural assets through capital-efficient structures, validate our adaptive media flywheel, and build Vinyl into the acquirer of choice for subscale youth, culture and entertainment brands in Australia."
