Chair's letter to shareholders

Dear shareholder

On behalf of the Board of Directors, I invite you to attend the 2025 Annual General Meeting (AGM or Meeting) of Virgin Australia Holdings Limited (Virgin Australia or Company) to be held on Friday, 14 November 2025, commencing at 10.00am (AEST).

It is the Company's intention to provide all shareholders with as much opportunity to participate in Virgin Australia's AGMs as is reasonably possible. To facilitate this, our 2025 AGM will follow a hybrid meeting format, allowing shareholders to either attend and participate in person at the Sky Room, Brisbane Convention and Exhibition Centre, Grey St, South Brisbane Queensland, or online at <https://meetnow.global/MSLCASW>.

The AGM is an important event for Virgin Australia and provides shareholders with an opportunity to receive an update on Virgin Australia's performance during the year, ask questions of the Board and Management, as well as Virgin Australia's Independent External Auditor, and vote on the items of business included in the Notice of AGM.

The Notice of AGM sets out the items of business of the AGM. For further details on each of the items of business, please refer to the accompanying Explanatory Memorandum. I encourage shareholders to read this material carefully before voting on the proposed items of business.

If you are not able to attend the AGM, either in person or online, I encourage you to appoint a proxy to vote on your behalf. You may appoint a proxy by:

- using the Computershare website at www.investorvote.com.au; or
- completing the enclosed proxy form.

Proxy forms and online proxies must be received no later than 10.00am (AEST) on Wednesday, 12 November 2025, to be valid. Even if you plan to participate online, I encourage shareholders to cast proxy votes and lodge questions ahead of the meeting at www.investorvote.com.au.

Shareholders can find instructions for how to join the meeting online, view the webcast, submit questions and vote in real time during the meeting, at www.computershare.com.au/virtualmeetingguide. Lodging questions and casting your vote ahead of the meeting will not prevent you from attending online.

It has been a transformative year for Virgin Australia, marked by a return to public ownership and the welcoming of a new strategic investor in the world's best airline, Qatar Airways Group. Virgin Australia's ambition is to be the most loved airline in Australia - by our people, our guests and our owners. Led by Dave and the Executive Leadership Team, and supported by more than 8,000 team members, the Group has continued its pursuit of this ambition in FY25.

Along with the entire Board, I look forward to engaging with shareholders at the AGM, and we thank you for your continued support.

Yours sincerely,

Peter Warne
Independent Non-Executive Chair

Voting exclusion

Item 11: Adoption of Remuneration Report

Section 250R of the *Corporations Act 2001* (Cth) and the ASX Listing Rules require that certain persons must not vote, and the Company must disregard any votes cast by certain persons, on some of the resolutions to be considered at the Meeting.

For the purposes of the voting exclusions (this Notice of AGM generally and the accompanying proxy form):

- The Key Management Personnel (KMP) means the key management personnel for the Company's consolidated group details of whose remuneration are included in the Remuneration Report. These are the persons having authority and responsibility for planning, directing and controlling the activities of the Company's consolidated group either directly or indirectly. They include the Directors and certain senior executives. The KMP for the financial year ended 30 June 2025 are listed in the Remuneration Report, beginning on page 61 of the Company's 2025 Annual Report.
- A Closely Related Party (CRP) of a member of the KMP means:

The following voting exclusion applies to Item 11: Adoption of the Remuneration Report.

No votes may be cast, and the Company will disregard any votes cast, by or on behalf of:

- a current or former member of the KMP, details of whose remuneration are included in the Company's Remuneration Report for the financial year ended 30 June 2025; or

In addition, a vote must not be cast on Item 11 by a member of the KMP or a CRP of a KMP, acting as a proxy for any person who is entitled to vote. However, such a person may cast a vote on Item 11 if:

- The person does so as a proxy appointed by writing that specifies how the proxy is to vote on Item 11; or
- The person is the Chair acting as a proxy for a person entitled to vote on Item 11 because the Company's proxy appointment expressly authorises the Chair to exercise undirected proxies.

The Remuneration Report provides information on:

- the relationship between the remuneration policies and the Company's performance; and
- the performance conditions that apply to the different components of the remuneration structure, why those performance conditions were chosen and how performance is measured against them.

The Remuneration Report sets out an overview of the historic remuneration framework for 2025 when the Company was privately owned (page 61) as well as the go forward remuneration framework for 2026 now that the Company is publicly listed (page 62). The Board believes the Company's remuneration policies and structures, as outlined in the Remuneration Report, are appropriate, going forward, relative to the Company's evolving ownership, size, business, strategic objectives and current and emerging market practices.

- at next year’s annual general meeting, at least 25% of the votes cast on the resolution for adoption of the remuneration report for the financial year ending 30 June 2026 are against that report’s adoption (i.e. “second strike”),

then the Company would be required to put to shareholders at that 2026 annual general meeting a “spill” resolution. This spill resolution would propose that an extraordinary general meeting (EGM) be held within 90 days of the 2026 annual general meeting to consider the election of all Directors, excluding the Managing Director.

If the spill resolution were to be passed, all of the Directors (other than the Managing Director) who held office at the time of the adoption of the Remuneration Report, for the year ending 30 June 2026, and who remain in office at the time of the EGM, would cease to hold office at the EGM, unless re-elected at that meeting.

The Meeting will begin at 10.00am (AEST). If you vote on any resolution in person, proxy votes cast by you on that resolution will be revoked.

Voting online during the Meeting

To vote online, you can attend the Meeting virtually through Computershare's meeting platform "Meet Now". To join and participate:

- (a) type <https://meetnow.global/MSLCASW> into your computer, tablet or smartphone.
- (b) Click "Join Meeting Now".
- (c) Enter your SRN/HIN. Proxyholders will need to contact Computershare on 1300 552 270 before the Meeting to obtain login details.
- (d) Enter the postcode registered to your holding if you are an Australian shareholder. If you are an overseas shareholder, select the country of your registered holding from the drop-down list.
- (e) Accept the terms and conditions and click "Continue".

The Meeting will begin at 10.00am (AEST) and shareholders will be able to register an hour before the Meeting begins. You can view the Meeting live, ask questions and cast direct votes at the appropriate times while the Meeting is in progress. For further guidance on how to attend the Meeting online, please refer to the virtual meeting guide which is available at www.computershare.com.au/virtualmeetingguide. If you vote on any resolution online, proxy votes cast by you on that resolution will be retained.

Appointment of Proxies

A shareholder entitled to attend and vote at the Meeting can appoint a proxy to attend and vote at the Meeting on their behalf. A proxy does not have to be a shareholder of the Company. The person appointed as a shareholder's proxy may be an individual or a body corporate. The appointment may be a standing one. A body corporate may appoint an individual as its representative to exercise any powers the body corporate is entitled to exercise at general meetings of the Company.

If a corporate representative is appointed to attend the Meeting on behalf of a body corporate, a formal notice of appointment or a properly executed letter or other document confirming its authority to act as the corporate representative must be submitted before the Meeting.

Appointing more than one proxy

A shareholder entitled to cast two or more votes may appoint no more than two proxies. If you appoint two proxies, you may specify the proportion or number of votes each proxy you have appointed is to exercise. If no proportion or number of votes is specified, each proxy may exercise half of your votes (disregarding fractions).

If a shareholder has appointed two proxies and if a resolution is to be decided on a show of hands, only the first person named in the proxy form may vote. If two proxy forms have been completed, the person whose name is earlier in alphabetical sequence may vote.

Voting by the proxy

A shareholder may direct their proxy to vote in a particular way, or to abstain from voting, on a Resolution by marking the appropriate box for that Resolution in the proxy appointment. If the shareholder directs the proxy (including the Chair) how to vote on a Resolution, the proxy must vote as directed. This does not affect the way a proxy (including the Chair) can cast any votes they hold in their own capacity as a shareholder.

Any undirected proxies on a given Resolution may be voted by the appointed proxy (including the Chair) as they choose, subject to the voting exclusions for Item 11 described above.

Appointing a proxy

To appoint a proxy, shareholders will need to submit a personalised proxy in any of the three following ways:

- (a) **Online** by visiting www.investorvote.com.au using the secure access information detailed on your proxy form or scanning the QR code which appears on your proxy form and following the instructions provided. When scanned, the QR code will take you directly to the mobile voting site. You will need to enter your postcode to submit your proxy appointment online. Intermediary online subscribers (custodians) may lodge proxy instructions at www.intermediaryonline.com;
- (b) **By mail** (using the return-addressed envelope, reply-paid for mailing in Australia) to Computershare Investor Services Pty Limited, GPO Box 2975, Melbourne VIC 3001; and
- (c) **By facsimile** to Computershare Investor Services Pty Limited on facsimile number 1800 783 447 (or +61 03 9473 2555 if outside Australia).

To be effective for the scheduled Meeting, your proxy appointment must be submitted electronically, or your proxy form must be received, no later than 10.00am (AEST) on Wednesday, 12 November 2025 (being 48 hours before the commencement of the Meeting). Any proxy form received after this deadline, including at the Meeting, will be invalid.

If the proxy form is signed by an attorney, the power of attorney or a certified copy of it must be sent with the proxy form, unless the power of attorney has already been provided to the Company's share registry. A proxy cannot be appointed under power of attorney or similar authority online.

Chair as proxy

If you appoint the Chair as your proxy (or the Chair becomes your proxy by default) and you do not direct your proxy how to vote on any proposed resolution set out in this Notice of AGM, then (by submitting your valid proxy appointment) you will be expressly authorising the Chair to vote as the Chair decides on the relevant resolution.

The Chair intends to vote undirected proxies in favour of each of the proposed resolutions at the Meeting (where permissible).

If you do not want the Chair to vote as your proxy in favour of any of the proposed resolutions, you need to direct your proxy to vote against, or to abstain from voting on, the relevant resolution by marking the appropriate box in the proxy appointment.

Other KMP as proxy

If you appoint a Director (other than the Chair) or another member of the KMP (or a CRP of any such member) as your proxy, you should direct them how to vote on Item 11 by marking the appropriate box in the proxy appointment. If you do not do so, your nominated proxy will not be able to vote on your behalf on Item 11.

Conduct of the Meeting

The Company is dedicated to conducting its shareholder meetings in a way that enables shareholders, proxyholders and representatives to fully engage in the Meeting. Attendees will be given the opportunity to ask questions and make comments on matters relevant to the Items of Business or concerning the Company more broadly, all within a structured and respectful environment.

The Chair will use their authority to ensure proceedings are managed efficiently and in the best interests of all shareholders attending. Should any technical difficulties arise during the Meeting, the Company will consider the effect on shareholders who are participating and voting online. The Chair may provide directions to address any such issues and may decide whether it is appropriate for the Meeting to continue. For this reason, shareholders are encouraged to lodge a proxy by 10.00am (AEST) on Wednesday, 12 November 2025 even if they plan to attend online

Questions and comments by shareholders

Shareholders attending the Meeting in person and online will have a fair opportunity to raise questions or make comments regarding the Items of Business as well as the management of the Company and its subsidiaries. Representatives from KPMG, the Company's auditor, will also be present, and shareholders will be able to ask them questions.

Shareholders are welcome to submit questions to the Company in advance of the Meeting via InvestorVote (www.investorvote.com.au), no later than 10.00am (AEST) on Wednesday, 7 November 2025. Please note that questions submitted online or prior to the Meeting may be subject to moderation or may be combined where there are several on the same subject. While every effort will be made to address as many questions as possible, it may not be possible to respond to all questions during the Meeting.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
